POPR PLR License Certificate

POPR PLR License v3 | Standard certificate, not personalized

This standard certificate summarizes the license that comes with a POPR PLR book. It is the same in every copy and is not personalized.

THE LICENSE

After purchase you hold a perpetual, non-exclusive license to edit, rebrand, publish and use this pack's original POPR content in your own books, courses, memberships, blogs and lead magnets, and to use its knowledge graph and citation list in your own tools. It has no expiry date. Once you buy it, it is yours to use.

THE BOUNDARY

You may not sell, give away, share or redistribute the original pack or its source files as PLR, MRR, resale rights, a bundle or a template. Do not publish it unchanged, and do not claim that POPR endorses your version.

OWNERSHIP

This is a license, not a transfer of copyright. POPR Technologies Inc. keeps ownership of its work. Its preparation methods are proprietary and are not part of the license. Other buyers hold the same license.
